Located in the heart of an isolated and undiscovered part of Tuscany, this beautiful Italian accommodation is nestled inside a 40 hectares estate planted with olive groves and surrounded by the peaceful green countryside for which Tuscany is renowned.

If you are a nature lover, then you will absolutely enjoy strolling through the 18 hectares of woods which surround the estate and offer you stunning panoramas framed by colourful flowers, vegetable gardens and many Tuscan botanical species.

When it is hot and you need to cool down, then dive into the beautiful 20 x 9 mt pool with depths of 1.20 to 2.50 mt. If you get hungry while swimming, this pool area also has a barbecue where you can cook your meal and eat under the cool shade provided by the iron gazebo next to the pool. The only restrictions in this area is that you not bring any food or drinks poolside. The pool is open from April to October during the hours of 10:00 a.m. to 9:00 p.m. and is cleaned on a daily basis. For your convenience there are showers available where you can rinse off after your swim without having to return to your accommodations.

This Tuscan estate dates back to 1586 and was carefully restored in 1990 to preserve its originality and authenticity. Being such a large estate, it has

been divided into a group of Tuscan accommodations each with its own private entrances and outside areas furnished with tables and chairs for the enjoyment of peaceful and quiet times eating or doing nothing at all.
